

Amendments to the Specification:

Please replace the previous specification with the attached substitute specification.
Pursuant to 37 C.F.R. § 1.125(c), both clean and marked up versions of the specification are provided.

Amendments to the Abstract:

Please delete previous abstract and add the following new abstract:

A toothbrush including a brush head, bristle clusters protruding from a cleaning surface of the brush head and a depression disposed in the surface and surrounding at least one bristle cluster, the depression having a bottom into which the bristle cluster penetrates and in which the bristle cluster is fixed.
